Facade Tectonics 2023 Regional Forum Series

ABOUT THE REGIONAL FORUM SERIES

Regional Forums are ½-day educational events that feature three panels of speakers and plenty of time for Q&A. Session topics address the sustainability and resilience of building facades, technological innovations, workflow, methods and materials, critical climate-related issues.

SPONSOR BENEFITS

The Forum events are a great opportunity to play a meaningful leadership role with a concentrated gathering of AECO industry and academic thought leaders. Forum sponsors receive the following benefits and brand exposure:

- ✓ Signage at the event
- ✓ Social media exposure
- ✓ Literature and/or Tabletop (at some venues)
- ✓ List of attendees
- ✓ 2 complimentary tickets
